

New Zealand Originating Goods Sample Manufacturer Declarations

Preface

Article 3.16 of the Australia-New Zealand Closer Economic Relations Free Trade Agreement (ANZCERTA) states that an importer may make a claim for preferential treatment under ANZCERTA based on a declaration by the exporter/manufacturer.

Whilst there is no particular form of declaration required, the following pages contain a number of suggested declarations that could be used to claim New Zealand origin under ANZCERTA. An exporter/manufacturer could simply tick the appropriate box, or copy the appropriate declaration onto a company letterhead, or the invoice itself.

Each shipment should be accompanied by a declaration. An importer may be required to produce this either at the time of importation, or at some later date. More information is contained in the document "Supporting A Claim Of Origin".
